(Keep for all your years in 4-H) Keep Record Book from October 1 to September 30

Name

 Club

 The Permanent Record is a place for you to keep your points toward achievement awards and trips. The
list below shows you the many activities that you can become involved with in 4-H. You should put the points in the proper year's column as soon as you complete that activity. One point for each completed activity, except where noted.

4-H PROJECT POINTS

Write each different project name in the column only once. Youth Leadership may be included as a project. Put one point by the project each year you complete the project by exhibiting at the fair or club meeting. You only receive up to four points in any one year for completed projects.
